Agenda - March 26, 2012

3:30 - 5:00

### 1. Review and Finalize Scope of Work Year 2 Assurance Area D Evaluation Systems

Coordinator asked all members of the team to review this document in Google Docs. The following revisions were made by the team:

Added #3 Target to read: Develop comprehensive models for teacher and principal evaluations, including timelines, activities, and personnel, with the goal of full implementation of new evaluation system by 2013-2014.

Added #3 Activity to read: If selected, Kenton City Schools will participate in the OTES pilot.

### 2. March Progress Monitoring Document Discussion and Updates.

Coordinator distributed a document entitled, "Kenton City School District Survey Project-March 13, 2012" explaining the contract with KCS and Muskingum Valley ESC. The Open Ended Items page was reviewed. Questions revised for the survey:

Staff: Has the professional development offered by our district in the past two years been supportive for improving student learning?

Revision: Do you feel the PD you have participated in during the past two years has been or will be supportive for student learning- (all PD you are provided including 2 hour delays)

Parent: Are you satisfied with the way the Kenton City Schools have worked to improve students' learning and overall communication?

Revision: Are you satisfied with the way KCS have worked to improve students' learning?  
Are you satisfied with the way KCS has worked to improve overall communication?

### 3. Can PD in April and May support our not yet completed Year 2 Goals? 2. By May 2012, 100% of CORE area teaching staff will participate in professional development sessions regarding formative instructional practices, which include formative and performance-based assessments.

Teachers at KHS who have attended PBL training will share in a 2-Hour Delay.

Julie will bring up topic to the elementary principals at the administrative meeting tomorrow.

There is no 2 hour delay in April.

### 4. RttT Upcoming PD Information - You should be registered for May 7th Regional Meeting in Lima, Linkage Training, Targeted Content Area PD, and Teacher Evaluation conference May 25th

Webinars are available on the Targeted Content Area PD (type Model curriculum in stars)

More Linkage Training is available on April 17th in Lima- elementary principals need to know

Teacher Evaluation Conference-for admins & a few teachers May 25th

5. Review ODE News and Views for March which deals with Assurance Area D  
Quite a bit of information will be coming to our team within the next two months regarding Area D

6. Mary Riepenhoff - Email Attachment Documents Explanation  
Mary-quick overview of these: Coordinator shared these attachments through Google Docs  
ODE put 4 docs on the website-student growth measure, weighting (Value Added at least 10%) approved list of measures-still being updated, SLOs (designed locally to measure student growth) rubric should be rolled out soon for common assessments

Docs are still a work in progress, there will be grant opportunities for schools willing to write the SLOs

Next Meeting: April 23rd at 3:30
